In addition, the installation or dismantling of an exhibit which does not require the use of hand tools, or more than one person, and can be accomplished within thirty (30) minutes, may be performed by the owner or company representative. GES’s Material Handling Department is responsible for maintaining in and out traffic schedules at the Show site. Even local exhibitors should clear all movements of exhibit materials through this department, as they will have priority at the unloading area at all times. Union jurisdiction allows hand-carried items only and will not permit exhibitor’s use of dollies, hand trucks, or pushcarts. Electrical installation must conform to Union rules and regulations and to all national, state and local codes. All exhibitor’s decorating materials, furniture, signs and equipment must conform to national, state, and local fire and safety codes. The use of open flames or butane gas is strictly prohibited.

The dismantling of exhibits begins on Saturday, November 7, 2020 at 3:30 pm. Dismantling an exhibit or packing of equipment or literature prior to 3:30 pm on Saturday, November 7, 2020 is not permitted. To avoid damage to equipment or display materials, exhibitors must ensure that all equipment is removed before the equipment is returned and materials packed. All crates must be packed and labeled for outbound shipment.

Exhibitor Approved Contractor (EAC)

All exhibitors using an EAC must submit to AAGL in writing, within company letterhead, the name, address, telephone number and contact person of the contracted company. Please send this information to exhibits@aagl.org, no later than October 9, 2020. All EACs must submit to AAGL an original certificate of insurance (see Insurance section above).

Booth Height Regulations

Booths: A maximum of 4 feet in height on each side of the exhibit booth has been established so that no booth will interfere with or distract from any other exhibit booth. Each exhibitor is entitled to a reasonable sight line from the aisle regardless of the size of their exhibit. Island Booths: When an island booth exceeds 8’3” it does not interfere with other exhibitors because it does not back up against another exhibitor’s back wall. The extra height is often required in an island booth exhibit to permit the open walk-through approach normally used in this type of location. Ceiling height is 24 feet. Healthcare Convention and Exhibitors Association (HCEA) rules to be followed (see www.hcea.org/hcea-guidelines-and-best-practices/)

Americans with Disability Act (ADA)

To comply with the ADA, exhibitors should make every effort to accommodate attendees who are handicapped. The exhibit should be installed according to HCEA guidelines and may not project beyond the space allotted, obstruct the view of, or interfere with other exhibits. AAGL reserves the right to request modifications, at the exhibitor’s expense, of any display that does not comply with these guidelines.

Children

For the protection of your children and to maintain the scientific nature of the exhibit hall, no children under the age of 18 will be allowed during the installation, dismantle and exhibit hall hours.

Speakers at Booths

The AAGL will allow clinical presentations and live telesurgery from exhibit booth locations; however, these presentations will only be allowed for exhibitors presenting at least a 20’x20’ exhibit. These presentations may only be held during the refreshment breaks and luncheons. Amplification of the presenter is allowed; however, we request that you keep the volume at a comfortable level for your neighboring exhibitors.

Music and Videos

At no time should music or videos be played at a level that interferes with the activities of exhibit companies in your area. The exhibitor is responsible for any and all fees which may be due to ASCAP or BMI for the use of copyrighted music used in audio presentations. You may contact the AAGL office for further information.

Music videos or poster/pictures containing sexually explicit or vulgar language or acts are strictly prohibited. The AAGL reserves the right to determine what is appropriate regarding music, music volume, videos, and posters/pictures.

Badges

All representatives of exhibiting firms must register and wear an official exhibitor’s badge for admission to and while in the exhibit hall, as well as for admission to the General Sessions, Plenary Sessions, Poster and Podium Sessions. Company badges will not be accepted in lieu of the official meeting badge once the show opens. An Exhibitor’s Badge Registration form will be available on the AAGL website. Please note that the deadline for exhibitor badge registration is September 25, 2020. Each exhibition company will receive 5 complimentary badges for every 100 sq. ft. of booth space purchased. For additional badges, there will be a charge of $30.00 per person. There is a $35.00 charge for badges printed on site. There will be a $30.00 replacement charge for duplicate badges. Any badges reprinted due to error by AAGL staff will be free of charge. It is against the AAGL’s policy for exhibitors to lend their badges to anyone.

Promotional Opportunities

The following are commercial sponsorship opportunities that will allow your company to keep its name in front of the AAGL attendees.

Sponsored Symposia & Affiliated Exhibitor Events

For those companies providing a breakfast, reception, or evening symposium, please send a copy of your proposed invitation to the AAGL for approval prior to printing and distribution. You may post signs near the AAGL 2020 49th Global Congress on MIGS congress.aagl.org/exhibit 12
AAGL registration desk and distribute flyers from your exhibition booths. Applications for Sponsored Evening Symposia and Affiliated Exhibitor Events, including breakfast symposia, receptions, or meeting room space, will be available on the AAGL website.

Attendee Lead System

The AAGL will provide a lead retrieval system for use in the exhibit hall. Information on how to sign up for the lead retrieval system will be provided in the Exhibitor’s Kit as distributed by GES.

Selling of Products & Services

Sales are permitted provided that all transactions are conducted in a manner consistent with the professional nature of the exhibits. AAGL reserves the right to restrict sales activities that it deems inappropriate. It is the responsibility of the exhibitor to secure any licenses, permits, and/or identification numbers required by the local and state government to sell their products.

No organization or their representative may display, demonstrate, or distribute their products and/or services in any location other than their designated exhibit booth. Companies who have been approved to host exhibitor sponsored events or who are participating in the Exhibit Hall Buyer’s Guide (formerly the Convention Bag Insert) program may use these vehicles to promote their products/services.

Exhibit Photographing/Videotaping

A representative of one exhibiting company may not photograph or record video (with film or digital devices, including camera phones) of another exhibitor’s booth. Violation of this rule will result in the expulsion of the offending exhibitor from the exhibit hall, and confiscation of the photo, image(s), and/or video(s).

Survey and Questionnaires

Exhibiting companies wishing to ask meeting attendees to complete a survey/questionnaire for marketing research or analysis purposes must not provide any monetary compensation for completing the survey. A modest gift, in accordance with the AdvaMed Code of Ethics, may be given for completing the survey/questionnaire.

All meeting attendees must be allowed to complete the survey if they so desire and an exhibitor may not deny an attendee from participating in a survey/questionnaire based on age, sex, race, or any other reason.

Usage of the AAGL Name

The use of the AAGL’s name, insignia, association logo, annual meeting logo, or other identifying marks of the AAGL may not be used in signs, advertising, or promotions in any media or on descriptive product literature without the express written permission of the AAGL.

Hotel Reservations

On occasion, company representatives have questioned the housing procedures of most organizations. In selecting the location of our Global Congress, the AAGL reserves rooms to include our members, and exhibit company representatives. We commit to the hotel(s) that the rooms we reserve will be utilized. While our attendees can make their individual room reservations directly with the hotel(s), it is more complicated when blocks of rooms are requested. We realize that as a company you may have many representatives attending the meeting, and that the actual number is difficult to determine in advance. What we have found in the past is that some companies who block an excess of rooms and cancel them just prior to the meeting. This causes the following problems: 1) our room block fills quickly with physician reservations and exhibitor blocks, leaving other attendees to look for space at other hotels; and 2) excess exhibit blocks are then canceled prior to the meeting and we have not met our obligation to the hotel(s).

The AAGL expects your company representatives to book their accommodations at the hotel(s) in this prospectus and we are interested in working with each individual company to ensure that your housing needs are met. We will allocate rooms to each company from our room block as accurately as possible using prior history as our guide. An Exhibitor Housing Form will be available on the AAGL website. All requests for housing must be sent to the hotel(s) with a copy to AAGL at housing@aagl.org. By working together to monitor the hotel room requests, hopefully, we can alleviate imposing penalties.

Exhibitor Disputes & AAGL

Exhibitors agree that any legal disputes, suits, or actions between AAGL and an exhibitor resulting from the participation in the exhibition or related activities of the AAGL Global Congress will be governed by the laws of the state of California.

Proper Attire

All exhibitors and their agents are expected to dress and conduct themselves in a professional manner at all times.

Product/Service Displays

To maintain the aesthetic appeal of the meeting, exhibit booths must be free of debris. AAGL reserves the right to order porter service at the exhibitor’s expense if it creates an unsafe or unprofessional environment, as well as the right to curtail exhibits or parts of exhibits that reflect against the character of the meeting. Non-professional products or services are not to be displayed.

Investigational, Pre-Approved & Off-Label Products

Exhibitors shall comply with all applicable U.S. Food and Drug Administration (FDA) regulations, including, without limitation, FDA restrictions on the promotion of investigational and pre-approved drugs and devices and the FDA prohibition on promoting approved drugs and devices for unapproved uses. Any product not FDA-approved for a particular use or not commercially available in the U.S. may be exhibited only if accompanied by documentation indicating the status of the product. Exhibitors shall have available at their exhibit space a letter from the FDA that describes the allowable use of any drug or device exhibited.

No Smoking Policy

The AAGL has a no smoking policy for the AAGL Global Congress. Smoking will not be permitted in any meeting area, common space in the convention center, or exhibit hall.

Exhibitor-Sponsored Events

No activities can be scheduled during the official program hours.

All participants are expected to observe these rules of conduct in all Congress venues. Organizers will actively enforce this code throughout the event.
